

Tom Davis Jumping and Dressage Clinic

Linden Woods Farm, Durham, NH

SATURDAY, April 3rd, 2010

Tom Davis is one of the USEA ICP II certified instructors that remains in New England during the winter months. He has been teaching clinics through out New England for over 10 years. Based on the USEA ICP teaching methods, these clinics help riders improve their body mechanics, which results in better quality work from their horses. Tom has been a student of Denny Emerson since the mid-1970s. He also rides with Eric Horgan, Nancy Guyotte and Danielle Gavruluk.

Tom specializes in introducing riders and horses to the sport of eventing.

This clinic is open to RIDERS OF ALL LEVELS; eventing/dressage experience is NOT necessary. Tom is a wonderful instructor providing great insight and positive encouragement to his students.

Sessions will be semi-privates for approximately one hour.

Riders will be grouped appropriately or you can specify who you would like to ride with.

Costs (Payable to Linden Woods Farm)

Jumping or dressage session - \$65.00 per session (you can do both!)

We will resume XC schooling in the spring – there will not be an XC school with this clinic.
